NORTHAMPTON, MASS.

Lawrence House  
November 19, 1950

Dear Selma —

I am referring this note to you, if you don't mind. Would you be so kind as to answer Miss Carolyn Bell's letter or have one of the members of the radio staff do so. I am sure that you could give her much more detailed information on this matter than I would be able to.

Thank you very much.

Sincerely,  
Nell Cochran —
